PARENTING TRAINING

This year we are offering some parenting training as below.
Subscribers to IAT package are charged 1.5 hrs per school and Non-IAT: £168, schools sign up via the traded service website and are then sent a link and can target parents to invite.

Understanding SEND: Key information for parents and carers

Tuesday 09 March 2027
09:30 – 11:00

Wednesday 30 June 2027
18:00 – 19:30

This session offers parents and carers an introduction to Special Educational Needs and Disabilities (SEND) and will explore key information, and signpost to further guidance, and support.

The Importance of Talk (Adult Child Interaction and Modelling Language)

Monday 16 November 2026
18:00 – 19:30

Monday 14 June 2027
13:15 – 14:45

Parents and carers will understand how everyday talk, modelling language and responsive interaction build their child's attention, listening, and early communication skills.

Supporting your child with literacy at home

Wednesday 04 November 2026
09.30 – 11:00

Tuesday 04 May 2027
18:00 – 19:30

This practical session is to help parents and carers support their child's literacy development at home. They'll look at how phonics, reading and spelling skills can be supported and learn simple strategies that can be used in everyday routines to build confidence, fluency and enjoyment.

Supporting positive relationships and behaviour at home

Tuesday 02 February 2027
18:00 – 19:30

Thursday 27 May 2027
09.30 - 11.00

This practical session gives an opportunity for parents to explore their children's behaviour and the key strategies that may support positive changes.
