Here is some information about our Limitless Club at Unitas.

Limitless Club (Ages 8 - 25 with SEND)

At Unitas, we want every young person to have a second home. Therefore, our 'Limitless' team is committed to ensuring that our Youth Zone's offerings are accessible to all young people with special educational needs and disabilities (SEND) up to the age of 25.

- **The Sensory room helps young people learn to interact with the world around them in a safe environment that builds up their confidence and abilities**
- **Our team builds trust with young people to identify their different abilities and needs, and support them with their welfare in growing their independence and confidence**
- **Our team supports young people integrate into universal sessions that are delivered throughout the week to increase their self-confidence**

On Limitless sessions, we also welcome parents/carers and siblings of Limitless members to join if you wish.
